Notes

'Highlights? Torkkola was disturbingly good as Hillary, a mental patient who joins the madness in and out of space during Receivers' - The Buzz from Sydney

'Her controlling older lover Hannah (was) played with relish by Eva' - The Age

'...a satisfyingly gory and madcap finale marvelously performed by Eva' - Australian Stage

'Star (Torkkola) is a particularly interesting character... we see her in the intriguing process of slowly becoming unhinged' - Stage Whispers

'Torkkola gave commendable performances in both shows, she engaged and enticed her audience to further dive into the absurdity of the worlds these characters live in. She also brought physical qualities to both of her characters that were interesting and evolving' - Theatre Unzipped

I am an engaging, diligent performer who loves to collaborate, challenge myself and naturally unravel each character. Currently, I am performing in a series of shows across Australia for The Commonwealth Bank, Camp Quality and Trash Puppets.
